

DBEM Lab Talk

Thursday 2 February 2017

14:30-15:30 p.m.

PRC Room 6202

Title

Ecology and management of brown bears in Slovenia

Speaker

Dr. Miha Krofel, University of Ljubljana, Slovenia.

Miha Krofel is wildlife researcher and assistant professor at University of Ljubljana, Slovenia and visiting researcher at Leibniz Institute for Zoo and Wildlife Research, Germany. His research focuses on large carnivore ecology and conservation in Europe and Africa, with a particular emphasis on Eurasian lynx, brown bear, grey wolf, jackals, and leopard.
