

Announcement of available position	Selection code: 300_CRI_RAE
Type of position and number of positions vacant	N. 1 (one) temporary position for 24 months* as Fourth level researcher (R4) in the field of animal ecology.
Organisational structure and manager for the position	Research and Innovation Centre – Unit of Applied Ecology – Line Manager for the position: Francesca Cagnacci, PhD. * The position is offered within the “The Moore Foundation - COVID-19 Bio-logging Initiative” and the duration of the contract is limited to the extent of the project itself, i.e. it cannot extend beyond December 15 th , 2023.
Specific requirements	<ul style="list-style-type: none"> – Master degree (or equivalent ≥ 4 years degree) in Ecology, Animal behaviour, or equivalent; and – Knowledge of written and spoken English (minimum level C1), evaluated during the interview.
General requirements	<ul style="list-style-type: none"> - Italian citizenship with the benefit of full civil and political rights within the State of Italy, whether belonging to the Republic, or not; OR - Citizens of European Union Member States or other States, provided they meet the following requirements: <ul style="list-style-type: none"> - benefit of full civil and political rights in the country of origin or nationality (or explanation of the reasons for non-benefit); - possession of all the same requirements as for citizens of the Republic, with the sole exception of Italian citizenship, as detailed below. - Not having been the subject of criminal convictions or applications of penalties at their own request (plea bargaining), which have been confirmed as enforceable convictions; - Not having been the subject of a conviction or any application of penalty at their own request (plea bargaining), which has not yet been confirmed as enforceable, for the offences referred to in Book 2, Title II, Chapter I of the Italian Criminal Code ("Offences committed by public officials against the public administration"); - Not having been dismissed or declared disqualified from employment for having obtained employment through the production of false documents or documents that are invalid and with no possibility of remedy, or for having carried out activities incompatible with employment relationships with the Public Administration, or with entities governed by private law but under public control; - Not having exercised authoritative or negotiating powers over the Edmund Mach Foundation (Article 53 paragraph 16 ter of Legislative decree 165/2001) during the previous three years; - Not having been dismissed for justified subjective reason nor just cause, nor having had their employment relationship terminated in application of Article 32 quinquies of the Italian Criminal Code, because of failure to pass the probationary period for an employment relationship of indefinite duration and requiring the same qualifications as for this current recruitment; - Being in compliance with any obligations for military service; - In the event of recruitment, being available to take service at Edmund Mach Foundation premises.
Physical suitability for the specific work	Edmund Mach Foundation will assess the specific risks connected to the work, and if necessary request a preventive medical examination, pursuant to art. 41 of Legislative Decree 81/2008, in order to ascertain the physical suitability of the employee and

	absence of contraindications to the work for which they are to be employed. In case of physical unsuitability or suitability with limitations, the Foundation reserves the right not to proceed with recruitment or to withdraw from the contract if it has already been entered into.
Exclusion from the recruitment process	Anyone who has been employed at Edmund Mach Foundation in an equivalent level (R4) for a duration of more than 12 months.
Job description	<p>The job, funded by The Moore Foundation, offers the opportunity to work on a high-profile international project (COVID-19 Bio-logging Initiative) under the guidance of a terrestrial movement ecology team at the Research and Innovation Centre of Edmund Mach Foundation.</p> <p>In particular, the researcher will analyze, under the supervision of the project PI, bio-logging data to assess the response of terrestrial mammals to COVID-19 lockdowns, also through the collaboration with two further post-doc fellowships by Moore Foundation based at the University of St. Andrews, UK and at the Marine Biological Association, UK.</p>
Duties	<ul style="list-style-type: none"> - Data collation and processing of large bio-logging and human mobility datasets collected in the context of the COVID-19 Bio-logging Initiative, in coordination with the senior researcher and technologist of the FEM/CRI Unit of Applied Ecology and the international partners of the COVID-19 Bio-logging Initiative. - Analysis of spatio-temporal series of multi-species and multi-populations bio-logging data to model the effect of COVID-19 lockdowns on movement, space use and activity patterns of terrestrial mammals, with support and contributions from the project team. - Contribution to the publication of the results in high profile scientific journals, with support from the project team. - Engagement in group meetings, project reporting and other collaborative activities with the project team. - Dissemination of the results at national and international meetings, and outreach activity.
Keywords	Bio-logging, COVID-19, Database Management, Statistical Modelling, Movement Ecology, Outreach, R programming.
Selection process	By qualifications as expressed in Annex A (maximum 25 points) and interview (maximum 75 points). The results of the selection are based on the sum of the points awarded for the two phases of the selection process.
Subjects covered in the interview	<p>During the interview, which will be conducted in English, the following knowledge will be verified (maximum 75 points):</p> <ol style="list-style-type: none"> 1. State-of-the-art of bio-logging technology, with particular reference to its application for the investigation of movement and activity patterns by terrestrial mammals (maximum score 20, minimum sufficient score 10); 2. Processing of human mobility and GIS data, with related competences in either R programming language or professional GIS software (maximum score 15, minimum sufficient score 10); 3. Management of multi-species and multi-populations bio-logging datasets, preferentially through PostgreSQL platforms (maximum score 15, minimum sufficient score 10); 4. Statistical Modelling of animal movement and activity patterns, with processing of data in R programming language (maximum score 20, minimum sufficient score 10); 5. How to disseminate scientific results in national and international scientific contexts, and outreach activity with general public (maximum score 3);

	<p>6. General organisation and activity of FEM, right and duties of employees (maximum score 2).</p> <p>In the interview, the candidate must achieve a minimum score of 45/75 points.</p>
<p style="text-align: center;">Assessment of qualifications</p>	<p>On the basis of the information provided exclusively in the application form (Annex A), the score for qualifications will be assessed according to the following criteria (maximum 25 points):</p> <ol style="list-style-type: none"> 1. PhD title in Ecology or Animal behaviour or equivalent (4 points); 2. Working experience in the field of Animal Ecology in Research Institutes, Conservation Institutes or Universities (0.2 points per working month; maximum score: 5 points); 3. Number and quality of peer-reviewed published or accepted papers in the last 5 years (from 2016 until 2021) in the field of Animal Ecology, Bio-Logging, Movement Ecology (0.5 points for peer-reviewed publications without Impact Factor (IF), Book Chapters or publications with IF <2; 1 point for each publication with 2 ≤ IF < 4; 1.5 points for each publication with 4 ≤ IF < 6; 2 points for each publication with IF ≥ 6; maximum score: 10 points); 4. Contribution to international conferences in the last 5 years (from 2016 until 2021) in the field of Animal Ecology, Bio-Logging, Movement Ecology (0.2 points for each oral talk or poster; maximum score: 3 points); 5. Teaching experience, invited seminars, workshop attendance in the last 5 years (from 2016 until 2021) in the field of data management and analysis (from 0.5 to 2 points for each activity, based on its relevance and duration; maximum score: 3 points).
<p style="text-align: center;">Knowledge level of languages, relative to the Common European Framework (CEFR), and method of verification</p>	<p>The interview will be in English, and a minimum level of C1 will be requested and evaluated during the interview.</p> <p><i>To understand the levels of knowledge required, consult the dedicated page on the EUROPASS website:</i></p> <p>https://europass.cedefop.europa.eu/it/resources/european-language-levels-cefr</p> <p>Failure to possess a level of English corresponding to C1 will result in exclusion from the selection process.</p>
<p style="text-align: center;">Possession of requirements and recourse to clarification</p>	<p>The candidate must meet all the requirements and qualifications laid out, on the closing date for submitting applications as stated in the public announcement, as well as on the date of recruitment and placement. Candidates are in any case required to promptly inform the Foundation of any change in the data declared in the application for participation in the public notice.</p> <p>Failure to meet the specific and general requirements will result in exclusion from the selection process. The Foundation reserves the right to verify the above requirements and may at any time terminate the selection process for a candidate who does not meet them. Should the verification reveal inconsistencies, doubts or uncertainties, the Foundation also reserves the right to request further clarifications and/or documents to be produced, within the peremptory deadline indicated by the Foundation.</p> <p>The assessment of the possession of requirements and evaluation of qualifications is based exclusively on the information declared in the application form (Annex A).</p>
<p style="text-align: center;">Modality and deadlines for communication to candidates of the dates and locations of the interview</p>	<p>Candidates admitted to the interview phase will be informed of the date and location via e-mail (<u>not by certified email, a.k.a. PEC</u>), sent to the contact address used to send the curriculum and the application (Annex A), at least 10 days before the interview date.</p> <p>The interviews will be held at the Edmund Mach Foundation in San Michele all'Adige (Province of Trento) or in videoconference.</p>

	<p>Each admitted candidate must attend the interview, where they must present a valid photographic identification document, or if held in remote videoconferencing, the document must be presented in advance. Late arrival or failure to appear at the interview will result in exclusion from the selection process.</p>
Gross annual remuneration	<p>Provincial Collective Contract for Personnel of Research Foundations (https://trasparenza.fmach.it/Amministrazione-Trasparente/Personale/Contrattazione-collettiva/CCPL-Personale-Fondazioni-di-Ricerca), Fourth level Researcher, current gross remuneration of Euro 34.563,94, including 13th and 14th month's pay.</p>
Deadline for presentation of applications and recruitment process end date.	<p>Applications must arrive by and no later than 23:59 CET (the date and time of receipt shown in the electronic mail account of the Foundation shall be valid) on November 15, 2021.</p> <p>The recruitment procedure will terminate at the latest by June 15, 2022.</p>
How to present applications	<p>Applications to participate in the selection must be sent in electronic format to the email address (not certified email address, a.k.a. PEC) curricula@fmach.it, indicating the recruitment code (300_CRI_RAE temporary R4 animal ecology) in the subject of the message and must consist of:</p> <ul style="list-style-type: none"> - the candidate's curriculum vitae, saved with the file name and extension as follows: Surname First Name_CV.doc or .pdf; - the application form (Annex A), as per the model available on the webpage announcement, which must be saved with the file name and extension: Surname First Name_Application.pdf. The application must be fully completed, without any reference to other attached documentation and/or information; - a copy of a valid identity document. <p>Any person encountering difficulty in submitting the application due to disability is invited to contact +39 0461 615542.</p> <p>In the application form (Annex A) the candidate must declare any marriage, cohabitation or family relationship up to the fourth degree with employees, ongoing consultants, directors, members of the supervisory bodies of the Foundation. This requirement ensures maximum transparency in the recruitment process and avoids situations of potential conflict, such as, for example, direct or indirect reporting in the same organisational structure between persons who have such relationships.</p> <p>In the application form (Annex A) the candidate must declare, under their own personal responsibility, the possession of the specific requirements, general requirements and any qualifications as indicated in the relative boxes of this Recruitment Announcement, pursuant to Articles 46 and 47 of Presidential decree no. 445 of 28 December 2000, indicating awareness of the forfeiture of any benefits obtained and the criminal sanctions provided for respectively in Articles 75 and 76 of the aforementioned decree, in the case of untrue declarations, creation or use of false documents.</p> <p>By submitting an application for selection, the candidate assumes responsibility for the truthfulness of all the information provided in the application and in any attached documents, as well as for the conformity to the original of the copies of any documents produced, all this in accordance with Presidential decree 445/2000.</p> <p>The Edmund Mach Foundation reserves the right to carry out checks and if these reveal that the candidate's declarations contain any untrue content, the declarant will forfeit any benefits deriving from any provision issued on the basis of the untruthful declaration; moreover, such a declaration, as a "mendacious statement", will be punished in accordance with the Italian Criminal Code and the special laws on the subject.</p> <p>Candidates who make untruthful declarations concerning the possession of the fundamental requirements for participation in the selection process will be removed</p>

	<p>from the ranking list and the employment relationship, if already established, will be terminated.</p> <p>The Foundation shall not accept any responsibility for the loss of communications due to the incorrect indication of the address by the candidate or to a missed or late communication of the change of the address indicated in their application, or due to any postal or telecommunications defects or in any case due to third parties, unforeseeable circumstances or force majeure.</p>
